

eXact® Strip DPD-1 (10mL sample)
Bottle of 50 tests
Part No. 481647

eXact® Strip DPD-1 Free Chlorine (481647) offers a safe and convenient delivery system for your DPD testing. With eXact® Strip DPD-1 Free Chlorine, there are no more tablets to crush, powders to spill, or dispensers that release irritating dust. All reagents, as identified in the AWWA Handbook (4500-Cl G.), are delivered from the eXact® Strip pads. Can be used with most 10 ml DPD Free Chlorine photometer systems.
